

Make Your Home More Comfortable, Safer & Lower Your Energy Bills by receiving a FREE Comprehensive Home Assessment!

In collaboration with the Governor's Energy Office *Insulate Colorado Program*, SELA is offering a Comprehensive Home Assessment (CHA). With a \$300.00 deposit, you will receive a CHA -- a \$600.00 value, for a before and after testing of a typical Colorado Home. If you install \$1,500.00 worth of home improvements based on the findings of the CHA, we will refund your \$300.00 deposit. If your home is efficient and doesn't need any improvements, we'll refund your \$300.00 deposit. By combining the Insulate Colorado rebate and the Comprehensive Home Assessment, you can save approximately 40% on a whole-house energy efficiency upgrade.

Comprehensive Home Assessments

Conducting a comprehensive home assessment is the best way to understand how to improve comfort and reduce monthly energy bills. Specially trained Home Performance with ENERGY STAR Contractors evaluate homes using state-of-the-art diagnostic equipment. They will examine your combustion safety (CAZ), wall and ceiling insulation, the heating and cooling systems, air leakage and lighting. The contractor will then provide you with a list of the most cost effective energy efficient improvements for your home. Additionally, the assessor will come back to re-inspect and test that your improvements have been done correctly

Bray Construction

Lightly Treating Inc.

Bestway Insulation

Offer is only valid with a completed form and the \$300.00 deposit

I want to have a Comprehensive Home Assessment conducted on my home. Enclosed is my \$300.00 deposit-in the form of a check. If the assessment identifies the most cost effective improvements (listed below) I understand I need to implement at least \$1,500.00 of energy efficient improvements in order for my full refund.

- Insulating the attic
- Insulating uninsulated wall cavities
- Thermal shell sealing
- Insulating crawl space
- Sealing ductwork
- High efficiency equipment

What you will need to do to receive your Comprehensive Home Assessment

1. Submit the form above, along with a check for \$300.00 made payable to SELA.
2. Schedule a Comprehensive Home Assessment when auditor calls.
3. If cost effective improvements are identified by the auditor, you have two options:
 - a. Improvements are found - Install \$1,500.00 worth of energy efficiency improvement using a contractor qualified to offer Home Performance with ENERGY STAR services and we will return your \$300.00.
 - b. If you decide to not implement any improvements – SELA keeps the check for \$300.00 and you receive a Comprehensive Home Assessment evaluation of your home.
4. If no cost effective improvements are identified, we'll return your \$300.00.

Please cut and fill out the form above, along with a check for \$300.00 made payable to SELA. Address and mail by **December 31st** to the Smart Energy Living Alliance, Golden Hill, 12600 W. Colfax Ave, Lakewood, CO 80215 or fax (303) 237-0992. Offer only valid if form is sent with \$300.00 deposit.
