

Comprehensive Home Assessment Agreement

In order to get a Free Comprehensive Home Assessment
homeowners must sign and return this form to SELA

Homeowner agrees to one of the following options:

(Must check one)

Cost-effective improvements are identified. The homeowner agrees to hire the Home Performance Contractor to implement at least \$1,500.00 of the most cost-effective energy efficient improvements.

- If homeowner does not implement the most cost-effective improvements within 60 days of receiving a written Comprehensive Home Assessment summary, SELA will keep the \$300.00 deposit for the assessment.

Cost-effective improvements are identified. The homeowner will install improvements themselves or through another contracting company.

- If homeowner does not implement the most cost-effective improvements within 60 days of receiving a written Comprehensive Home Assessment summary, SELA will keep the \$300.00 check for the assessment.

Cost-effective improvements are identified, but homeowner chooses not to implement any improvements. Homeowner will receive the Comprehensive Home Assessment at a rate of \$300.00.

If no cost effective improvements are identified SELA will return the \$300.00 deposit.
